25X1**MEMORANDUM FOR THE RECORD:**

SUBJECT: Concurrence in Amendment No. 8 to Contract No. HF-CJ-2219 with Eastman Kodak Company, Rochester, New York, DYEWED 18, Project CHALICE (Air Force)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. HF-CJ-2219 provides for the furnishing of personnel by Eastman Kodak Company to assist FOG in the start-up and initial operations of the film processing plants at Del Rio, March and Westover Air Force Bases. The contract also provides for monitoring the quality of material processed at the plants by periodic visits by Contractor's personnel. Amendment No. 8 to the contract extends the period of performance under the contract through 30 June 1960 and provides additional funds for the first half of this period. 25X1

3. The total funds obligated under the contract are increased to \$94,220.00 or an additional obligation of \$30,000.00 chargeable to Air Force "No Year" funds during FY 1960 previously transferred to the Agency from the Department of the Air Force. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation. *Pollock*

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58), for each contract.

5. Concurrence in Amendment No. 8 to Contract No. HF-CJ-2219 is recommended.
